Light Rail – [Metro Transit](#)

There are no fareboxes on trains in the TwinCities. You must pay for your ride before boarding the train. You can purchase single ride passes, or Go-To Cards (stored value or stored ride passes). Police officers will randomly ask to see proof of fare payment on trains and stations. Have your proof of payment ready. There is a \$180 fine for riding trains or buses without paying.

Note that rail station platforms are paid fare zones, reserved for those who are purchasing tickets or for ticketed customers who are waiting for or getting off trains.

Use cash or a credit card to buy a ticket from the [ticket machine](#) on the station platform, validate your [Go-To Card](#) or pass at the card reader on the platform or use the [Metro Transit mobile app](#).
